INGREDIENTS & BENEFITS

50% PLANT EXTRACTS (HORSETAIL, SAGE, ALOES, GINSENG, IRIS & BILBERRY)

All extremely nourishing, remineralising and revitalizing for the skins.

10% PURIFIED WHEAT PROTEIN

With highly effective biological tensor properties. This protein, because of its specific biological structure & molecular weight has the effect of smoothing & restructuring the surface layers of the epidermis.

1.5% POLYSACCHARIDES (NATURAL SUGAR DERIVATIVE)

Have ultra-gentle moisturizing properties. Thanks to their ability to retain water molecules and form a protective film, polysaccharides instantly increase and solution the skin's hydration rates.

1.5% VITAMINS B5, A & E

Repair, revitalize and combat wrinkles. Vitamins A & E protect against loss of cell structure and help prevent the formation of free radicals. They also restore the skin's suppleness and reduce signs of fatigue. Vitamin B5 is used for its restorative action.

ESSENTIAL OILS (MINT & LAVENDER)

Which act to purify, tone, stimulate and soften. These essential oils will boost the effect of the active ingredients and increase the skin's vital energy potential.
