### INGREDIENTS & BENEFITS

#### **ACTION: ANTI-AGING — HYDRA — REDENSIFY**

##### HYALURONIC ACID

Hyaluronic Acid, naturally present in the skin's tissues, it had the power to retain water. The use of Hyaluronic Acid allows for optimum skin renewal, improving the skin's uppermost layers leaving it soft and hydrated.

##### COMMIPHORA MUKUL

Extract essence of Commiphora Mukul, acts beneath the skin's surface, pushing back wrinkles from below by holding lipids and thus reducing the appearance of fine lines and wrinkles on the surface.

##### OAT SUGARS

Oat sugars have a tightening effect on the skin and the contour of the eyes leaving facial features perfectly defined.

##### GINSENG (CERTIFIED ORGANIC)

Ginseng contains the necessary minerals for the biosynthesis of collagen and elastin, both toning the skin and reducing the signs of ageing.

##### FIELD HORSETAIL (CERTIFIED ORGANIC)

It remineralises and improves the skin's elasticity also helping to restore tissue elasticity.

## SOIN SKIN REPAIR ANTI-AGE CREAM
