

PHYTO-HYDRATING MASK

A beige color creamy mask. Bioglea extract increases skin moisturizing. Relaxing and soothing with petit grain essence. Smoothes epidermis due to jojoba oil. Particularly advisable for dehydrated, dry and sensitive skins. Use regularly after sun exposure will help to prevent thick split skin and sensitive situation arise.

Ref. C102 - 50ml tube

Ref. C611 - 250ml plastic bottle

RECOMMENDED for

Suitable for dehydrated skin, dry, sensitive, rough and dull skin.

INGREDIENTS & BENEFITS

HYDRATHERM (BIOGLEA EXTRACT)

Algae and micro-organism found in semi-mineral sulfur thermal water. Restores moisture to the cutaneous tissue.

EGG LECITHIN IN OIL

Stimulate the cellular metabolism.

JOJOBA OIL

Nutrient-rich, soothes, moisturizes and softens.

CARROT OIL

Contains high concentrations of carotene and vitamin A. Antioxidant and protects the skin from damaging UV rays. It also stimulates skin cell growth and thus prevents signs of aging such as wrinkles, lines and age spots.

PETIT GRAIN ESSENTIAL OIL

Soothing and antiseptic.

APPLICATION

Apply once or several times a week on the face and neck. Leave for 15 minutes and remove the excess with a tissue. Ideal during bath or shower.
