

SOIN BOTANIQUE AGE CONTROL

Soin Botanique Age Control is a daily skin protection which helps to strengthen the skin's natural defence and maintains its youthful appearance.

INDICATION:

- Soin Botanique Age Control protects all day long.
- Strengthens the skin's natural defence mechanisms and preserves the youthful appearance of the face.
- Over time this exceptional treatment promises visible results by reducing fine lines and wrinkles thereby improving the skin's tonicity.
- Skin is left satin-smooth with a radiant complexion.

* Without paraben, silicone and colorant

Ref. C143 - 50ml jar

RECOMMENDED for

All skin types.

INGREDIENTS & BENEFITS

NATURAL PROTECTION

Its unique formula contains:

SOYA BEAN SEEDS

An active base of proteins, glycoproteins and polysaccharides from soya bean seeds that enhances the skin's natural functions and protects the skin from external environmental elements.

SUNFLOWER PHYTOCERAMIDES & AVOCADO OIL

Sunflower phytoceramides stimulate collagen synthesis and improve the skin's elasticity whilst avocado oil strengthens the skin's natural barrier.

ANTI-OXIDATION

Protect the skin from the oxidation process.

A COMPLEX OF CYPRESS TREE CONES, ROSEMARY FLOWERS, VITAMIN C, VITAMIN PP & VITAMIN E

Reduces the formation of free radicals whilst protecting the elastin fibres and collagen.

SOIN BOTANIQUE AGE CONTROL

SMOOTHING ACTION

BEECH BUDS* EXTRACT (BIO-CERTIFIED)

Improves the skin's micro-relief, makes skin smoother and hydrates the outer layers of the epidermis.

MACADAMIA OIL

Softens the skin, prevents dryness and leaves skin satin-smooth.

APPLICATION

Apply every morning on thoroughly cleansed skin. In order to allow the active ingredients to permeate the skin rapidly, we recommend using a Carole Franck Essential Oil beforehand. Immediately afterwards apply Soin Botanique Age Control.
