

## LOTION FOR THE EYES

This Lotion For The Eyes helps to soothe and calm the sensitive area leaving the eyes feeling relaxed and refreshed. With its natural ingredients it also decongests and shrinks the pouches under the eyes.

Ref. C155 - 125ml bottle

Ref. C655 - 250ml bottle

### RECOMMENDED for

Suitable for all eyes especially sensitive eyes, swollen eyelids, long times use of computer and contact lens wearers.

### TEXTURE

Herbal lotion fresh dye-free, fragrance free and paraben preserved.

### INGREDIENTS & BENEFITS

#### MERISTEM EXTRACT (ROOT OAK)

Meristem extract has soothing properties, anti-inflammatory and anti-allergic. It is perfect for delicate and sensitive eye. It quickly calms itchy.

#### CHAMOMILE EXTRACT

The extract chamomile has anti-inflammatory, healing, anti-radical and restorative skin.

#### BLUEBERRY EXTRACT

The blueberry extract has soothing and decongestant.

#### QUILLAJA SAPONARIA EXTRACT (PANAMA WOOD)

Extract from the bark of Quillaja Saponaria, rich in natural saponins (complex sugars naturally equipped with surface-active properties), it allows a gentle cleansing. This extract also contains polyphenols, tannins and minerals know for their soothing and anti-aging.

### ACTION

Lotion For The Eyes softens and soothes irritated eyelids. It brings a refreshing cool feeling, relaxes and rests tired eyes. Formulated from a natural cleansing agent very soft (100% vegetable) and a combination of plant extracts, Lotion For The Eyes removes eye makeup while respecting their fragility.

## LOTION FOR THE EYES

### APPLICATION

Lotion For The Eyes used:

- By removing and rising
- In compresses to swollen eyelids
- Semi Permanent Makeup in after (Lotion morning and evening)

It is strongly recommended to keep the lotion in the refrigerator to increase the toning and decongestant product.
