Ref. C138 - 50ml tube

RECOMMENDED for

Suitable for all skin types. Ideal for pigmentation skin.

INGREDIENTS & BENEFITS

KAOLIN

White clay with excellent oil-absorbing and remineralizing properties.

TITANIUM DIOXIDE

Protect skin against UVA and UVB.

MULBERRY EXTRACT

Slow down the tyrosinase synthesis and thereby inhibiting the formation of melanin leading to a whiter complexion.

BEARBERRY EXTRACT

Prevents skin pigmentation by smoothing, evening-out and brightening skin tone.

APPLICATION

Using the mask twice a week will help the skin develop an instant self-whitening reflex. Regular use will give the following:

- An instantly clearer complexion.
- An even appearance to your make-up, concealing any pigmentation marks.

Apply a generous amount of Lightening Mask and leave for 15 minutes. Rinse off with warm water and spray with Aromatic Spray.
