LITSEA CUBEBA

Calming and anti-inflammatory.

APPLICATION

Dilute with water for the cleansing of the face.

Cotton swabs coated with Aromatic Concentrate, rub to pimples spot which can reduce inflammation and accelerate wound healing.

Dilute 30 drops of Aromatic Concentrate in 200ml of distilled water and mix well until opalescent in color. The dilution should be used in morning and evening after the cleansing.

For acne skin: Add 3~4 drops of Aromatic Concentrate and mix thoroughly with Pure Clay Mask to reinforce the purifying and toning action. Wash off after 15~20 minutes and repeat 1~2times every week.

Steaming: In order to wet a cotton pad and wrap it in the face (Lotion For The Eyes), steam the face for about 10 minutes (Do not open the ozone), and then clear the acne.
