

## PURIFYING EMULSION

Purifying Emulsion contains an original active principle, yeast biomembranes, with high enzyme content, reinforced by the action of an aromatic essential oil:

- Eliminate impurities and excess sebum.
- Control blackheads.
- Make the skin less shiny.

Ref. C127 - 50ml tube

### RECOMMENDED for

Suitable for seborrhea, blemishes and acne skin.

### INGREDIENTS & BENEFITS

#### YEAST BIOMEMBRANES

Regularize sebaceous secretions.

#### ESSENTIAL OIL COMPOUND

Aromatic, soothing, essence of well-being detoxifies, clarifies, as it calms, refreshes and rebalances skin.

#### JOJOBA OIL

Nutrient-rich, soothes, moisturizes and softens.

#### SHEA BUTTER

The obvious richness in unsaturated fatty acids of Shea Butter, active ingredients with exceptional regenerating properties, acts immediately on skin suppleness and takes part in the balance of its protecting film.

### APPLICATION

Apply daily in the morning and at night after spray the diluted Aromatic Concentrate.
