

## ACTIF SERUM INTENSIVE CARE

Stimulates cellular activity. Regulates and restores micro-circulation. Calms, soothes, leaving skin feeling fresh. Apply every morning.

### For Random Patchiness

In the event of emotional upsets or a change in atmospheric conditions, sensitive, delicate skins tend to redden more readily than other skin type.

All skin requires treatment, from time to time, in order to tone the superficial circulation. Such treatment stimulates all the vital functions in the dermis, thereby helping to develop an anti-ageing mechanism.

Regular use as part of a one-month cure treatment, 3 or 4 times a year, will help prevent wrinkles forming and tone down fine lines by curbing any loss of tone.

Ref. C124 - 30ml glass pump bottle

Ref. C612 - 250ml bottle

### RECOMMENDED for

Suitable for delicate, sensitive skin prone to flare-ups, broken capillary, irritation skin and dull skin.

### INGREDIENTS & BENEFITS

#### FLORAL WATER FROM:

##### ROSE (ROSA DAMASCENA)

A skin cell regenerator which soothes the skin with its antiseptic and anti-inflammatory properties.

##### WITCH HAZEL

Astringent, anti-inflammatory; soothes, and heals.

##### CORN POPPY

It has emollient, soothing action on the skin.

#### PLANT EXTRACTS:

##### ALOE

To heal and soothe burned, irritated or inflamed skin; increase the synthesis, strength of skin tissue and encourages new skin cell production.

## ACTIF SERUM INTENSIVE CARE

### GRAPE LEAF

Powerful antioxidant and anti-ageing properties, promote microcirculation which makes them perfect for treating blotchy skin. It has also known which contain toning, astringent, softening and remineralizing agents.

### ST. JOHN'S WORT

Calms, tones and heals.

### CENTELLA ASIATICA

Restructures the network of collagen and elastic fibers by acting upon their production-degradation cycle.

## RESULTS

The natural astringent action of Actif Serum gradually tightens the skin's pores. Sensitive skins gradually acquire a normal appearance.

As soon as you start using Actif Serum, your skin will automatically feel soft, refreshed, firms and balance will be restored.

Actif Serum Intensive Cure comes as an ultra-concentrated serum containing 50% active ingredients.

## APPLICATION

Apply to skin every morning with light upward strokes before using the day cream. Use as part of a one-month cure.
