

DELICATE FLUID

Soothing and diminishing the sensitivity of the skin to external aggressions, improving the epidermis. Makes the skin less vulnerable to the elements, gives it a smooth appearance and protects it from the harmful effects of overexposure to the sun.

Ref. C107 - 15ml bottle

Ref. C610 - 50ml bottle

RECOMMENDED for

Suitable for sensitive skin prone to irritation, dry sensitive, seasonal allergies and weak cuticle skin.

INGREDIENTS & BENEFITS

GINSENG

Stimulates the cellular function of the dermis and epidermis.

CENTELLA ASIATICA

Restructures the network of collagen and elastic fibers by acting upon their production-degradation cycle.

SUNFLOWER SEED OIL

Rich in omega-6 fatty acids, this all-natural, fast-absorbing nutrient deeply hydrates, softens and protects the skin.

AVOCADO SOY UNSAPONIFIABLES

Regularize the keratinisation process.

ESSENTIAL OILS OF:

LAVENDER

Antiseptic, cleanses, balances, soothes and heals.

MARJORAM

Warming, stimulating oil, increases blood flow.

PEPPERMINT

Refreshes, clarifies and cleanses.

APPLICATION

Apply in the morning as a base for make-up and at night as a treatment fluid. Suggestion: Apply it after sun exposure, calming and soothing effect. In case of redness, use this essential oil every night.
