

## RESTRUCTURING CREAM

This rich cream restores the skin's suppleness and improves circulation. It also reduces its sensitivity, restructures the collagen and elastic fibers and preserves the capillary network. Rich in herbal extracts, which encourage new cell growth. It has the effect of a spectacular treatment course because of its strong and rapid action.

Ref. C103 - 50ml jar

Ref. C613 - 190ml bottle

### RECOMMENDED for

Suitable for sensitive, fragile, aging, bad micro-circulation and unhealthy skin.

### INGREDIENTS & BENEFITS

#### REVITALIZING THE CUTANEOUS TISSUE

##### GINSENG

Stimulates the cellular function of the dermis and epidermis.

#### RESTORING ITS SUPPLANESS & ELASTICITY

##### CENTELLA ASIATICA

Restructures the network of collagen and elastic fibers by acting upon their production-degradation cycle.

#### RENDERING THE SKIN SMOOTH & SOFT

##### AVOCADO SOY UNSAPONIFIABLES

Regularize the keratinisation process.

### APPLICATION

To be used every night to bring instant comfort to irritated skins. For the first weeks we recommend massaging Delicate Fluid into the skin immediately before applying Restructuring Cream.
