

PHYTO-PEELING CREAM

This gentle peeling cream contains high concentration of white clay which helps to remove dead skin cells, cleanse thoroughly, soften the skin and helps the skin to absorb creams and serums. The absorption of the skin is very high for a week. Impurities and excess oil are removed without damaging the skin's natural balance.

Ref. C118 - 30ml tube

Ref. C600 - 250ml bottle
