

Welcome to the cosmetics world of the 21st century

With XCELENT, the RIMPLER research team has, for the first time, created a cream that effectively transports such a valuable and sensitive fat-soluble raw material as the body's own coenzyme Q10 into the skin in previously unmatched quantity and stability.

Minute crystalline-structured depositories of active ingredients – the size of light particles – are now the smallest possible carrier system for cosmetic raw materials.

Nature meets high-tech for the benefit of the skin!

XCELENT is an ultra-modern scientific creation that repairs and balances out deficiencies in the skin's natural functions.

The secret formula:

- Versatile plants + bio-intelligent active ingredients + patented production technology

## SYNERGY CLEANSING GEL

Hydrophilic oil gel

REF: 100 (R)      PRESENTATION: 100ml bottle

Dr. RIMPLER XCELENT Synergy is a cleansing oil with a formula consistency like a gel. Ideal cleansing product for customers with a tendency to sensitive and demanding skin. The utmost valuable oils in combination with very well skin-tolerated emulsifiers cleanse very gentle and gift your skin with a well-nurtured skin experience.

### RECOMMENDED FOR:

For customers with a tendency to sensitive and demanding skin.

### CHARACTERISTIC:

Gentle emulsifiers ensure a cleansing effect with simultaneously nourishing properties due to the base of selected oils. This unique gel-like formula enables to dose the oil exactly as desired.

### INGREDIENTS & BENEFITS:

#### Helianthus Annuus (Sunflower) Seed Oil

Has the ability to help repair skin's barrier and reduce inflammation. It's a rich source of fatty acids, including linoleic acid, and is excellent for dry skin.

#### Oil from the Crambe

Higher in Erucic Acid, with a strong concentration of intensely nourishing Omega 9. Rapidly penetrates the outer layers of the epidermis, deeply nourishing the skin, while providing a smooth, soft layer of protection against dehydration.

#### Macadamia Ternifolia (Macadamia Nut) Seed Oil

Contains a high concentration of palmitoleic acid, which is very similar to the sebum of human skin therefore it is absorbed easily by skin. It has high anti-oxidant content and deep skin penetrating properties, which is ideal for dry or aging skin.

#### Vitis Vinifera (Grape) Seed Oil

Is easily absorbed by the skin. It is very rich in vitamins, minerals and protein, and contains polyphenols, a potent antioxidant which helps slowing the aging process. It also helps tighten and tone mature skin.

## SYNERGY CLEANSING GEL

Hydrophilic oil gel

### **APPLICATION:**

Morning and evening use for the facial cleansing, place a sufficient amount into damp hands, rub together with water to create an emulsion, then apply to the face and neck. Rinse off several times with plenty of warm water. Because of the lipogenous properties, there is no need to finalize with a tonic.

### **BEAUTY SPA:**

For a gentle and careful cleansing of dry, sensitive and demanding skin.

### **SALES IDEAS:**

A unique texture for a very careful and skin gentle, as well as lipogenous, cleansing. There is no need to finalize the cleansing with a tonic, because the pH value stays stable and will not be harmed, grace to this nourishing formula.

## EYE PERFECTION Q10

Anti-aging eye care

REF: 150 (R)

PRESENTATION: 10ml applicator tube

Dr. RIMPLER Eye Perfection cream is based on a brand new formula, which protects, regenerates and corrects the skin's appearance in the sensitive eye area, thanks to the intensive anti-aging ingredients Q10 combined with integrated pigments. This special combination of active ingredients instantly and visibly changes the skin, making it look flawless. A MUST HAVE for every care-conscious woman.

### RECOMMENDED FOR:

All-in-one solution that addresses dark circles, puffiness, eye bags, dullness and wrinkles.

### CHARACTERISTIC:

Protect, hydration, firming, anti-wrinkle, anti-aging, conceals, reduces under eye bags and dark circles.

### INGREDIENTS & BENEFITS:

#### Q10 Nanopearls® (NLC's)

Very first time worldwide tiny loaded Q10 Nanopearls® (NLC's). Q10 is antioxidant in both mitochondria and lipid cell membranes neutralizing free radicals and preventing oxidative injury to DNA in cells. Effective anti-aging properties.

#### Tetrapeptide

Anti-edema properties with proven efficacy in reducing puffy eye bags. It has multiple mechanisms of action:

- Improving blood circulation and reducing blood pressure in vessels under the eye by inhibiting activity of the enzyme called Angiotensin Converting Enzyme (ACE) which is responsible for the increase in blood pressure.
- Avoiding water leakage from blood vessels and preventing fluid accumulation.
- Skin strengthening by protecting the collagen from cross-linking (glycation), which is one of the main causes of the formation of eye bags.

#### Paracress (Acmella Oleracea) Extract

Acmella Oleracea reportedly reduces muscle tension, reducing facial wrinkles caused by tense or contracted facial muscles and diminish the appearance of expression lines and wrinkle. It is considered a natural muscle relaxant.

## EYE PERFECTION Q10

Anti-aging eye care

### Biophytex™

It is a synergistic complex of yeast extract (*Saccharomyces cerevisiae*) and extracts/derivatives of 5 plants:

- Butcher's broom (*Ruscus aculeatus*) root extract
- Hydrocotyle (*Centella Asiatica*) leaf extract
- Marigold (*Calendula officinalis*) flower extract
- Horse Chestnut (*Aesculus Hippocastanum*) seed extract
- Ammonium glycyrrhizate from licorice (*Glycyrrhiza glabra*) roots

Rich in saponosides and flavonoids, Biophytex™ protects the blood capillaries, reinforces their tonicity and has an overall skin soothing, calming effect. Thanks to the synergistic action of its different components, Biophytex™ improves skin problems linked to capillary fragility and reduced microcirculation on the face in general and in the under eye area specifically.

This effect is obtained by:

- reinforcement of the capillary walls
- improvement of microcirculation

Resulting in:

- reduction of spider veins
- reduction of dark circles
- skin soothing, calming

### Light-Reflecting Color Pigments

It helps immediately conceal imperfections and unify an uneven skin tone.

### Macadamia Nut Oil

Macadamia nut oil high in monounsaturated fatty acids, which are very moisturizing, regenerating and softening on the skin and also have anti-inflammatory properties.

### Cupuacu Butter

Cupuacu butter contains high phytosterol levels, it has a naturally high water absorption capacity for long lasting moisture retention, also rich in antioxidants, including flavanoids, vitamin C, A and B, 5 types of essential fatty acids and mineral such as calcium and selenium, help to soothes dry skin, promote smooth skin, reduces wrinkles and increases elasticity.

### Squalane

Derived from olives; a major component of human skin surface lipids (or oils); helps to keep skin soft and healthy; antioxidant capabilities help to protect from the harsh effects of the environment.

## EYE PERFECTION Q10

Anti-aging eye care

### Hemp Seed Oil

Hemp Seed Oil contains a high amount of polyunsaturated essential fatty acids that helps heal skin lesions, balance dry skin, and fight skin inflammations. It is a non-greasy emollient, and has a moisturizing compound with excellent anti-ageing and moisture balancing properties.

### **APPLICATION:**

In the morning and evening apply to the area around the eyes and gently massage in.

### **BEAUTY SPA:**

Recommended as final care for any cosmetic treatment.

### **SALES IDEAS:**

Intense eye care with CC effect! A slightly tinted premium eye cream for concealing, regulating and eliminating dark circles, bags and fine lines in the eyes area.

## SKIN ENERGIZER Q10

Restructuring anti-age serum

REF: 140 (R)

PRESENTATION: 20ml airless dispenser

For the very first time worldwide tiny loaded Q10 Nanopearls® (NLC's) has been used and the quantity as well as the penetration performance is sufficient in order to put the energy loaded and antioxidative effect right there where the molecule key of life has to be effected. Synthetical- and herbal polypeptides restructure the connective tissue. An herbal muscle relaxer, which is isolated from tropical cress, provides a reversible, temporary inhibition of muscle contraction specifically in the area of expression lines. Additionally got these NLC'S as well as the base formula moisturizing properties.

### RECOMMENDED FOR:

For aging, wrinkles and tired skin.

### CHARACTERISTIC:

Wrinkle smoothing, balancing, activating metabolism (energy booster), antioxidant, restructuring and protective.

### INGREDIENTS & BENEFITS:

#### Q10 Nanopearls® (NLC's)

Very first time worldwide tiny loaded Q10 Nanopearls® (NLC's). Q10 is antioxidant in both mitochondria and lipid cell membranes neutralizing free radicals and preventing oxidative injury to DNA in cells. Effective anti-aging properties.

#### Paracress ( Acmella Oleracea) Extract

Acmella Oleracea reportedly reduces muscle tension, reducing facial wrinkles caused by tense or contracted facial muscles and diminish the appearance of expression lines and wrinkle. It is considered a natural muscle relaxant.

#### Wheat and Soy Protein (Tripeptide-1)

This peptide is combined with wheat and soy proteins to by the name of Aldenine. Tripeptide-1 mimics the relationship of the growth factors involved in the healing process and synthesis of collagen. Specifically, it is supposed to stimulate the synthesis of collagen I and III, fibronectin and laminin.

## SKIN ENERGIZER Q10

Restructuring anti-age serum

### Fucose-rich Polysaccharide (Biosaccharide Gum-1)

Biosaccharide gum-1 is a fucose-rich polysaccharide produced by plant fermentation with a wonderfully controllable viscosity and anti-allergy effect. It has a non-greasy feel and an immediate and long lasting hydrating effect due to its film forming and water-captor effect. It in fact has a longer lasting hydrating effect than Hyaluronic Acid on the corneum layer of the skin.

### **APPLICATION:**

Apply preferably in the morning extensively beneath the XCELENT Timeless Age Q10.

### **BEAUTY SPA:**

As a high concentrated anti-wrinkle, care for the skin, demanding for regeneration and a perfect supplemental care within a cabin treatment.

### **SALES IDEAS:**

A moisturizing, revitalizing, restructuring and energy donating serum with a temporary anti-wrinkle reduction. In combination with XCELENT Timeless Age Q10 this product completes the holistic anti-aging skin care experience of Dr. Rimpler's NANOCARE to perfection.

## CREAM TIMELESS AGE Q10

Restructuring anti-age care

REF: 130 (R)      PRESENTATION: 50ml jar

For the worldwide very first time is the use of encapsulated lipophilic active agents with our NLC technology and the production of tiny loaded Q10 Nanopearls® (NLC) possible, which make it possible to stabilize a high concentration and do transport them right into the skin successfully. There it can fully develop its energizing and antioxidant effects and does counteract specifically premature aging. Synthetic and vegetable polypeptides restructure the connective tissue and hibiscus and ginger extract do ensure that the collagen and elastin-degrading enzymes are inhibited. The NLC as well as the herbal, non-ethoxylated emulsifiers in this formula with its moisturizing properties make this product to an all-rounder. Cream Timelss Age Q10 is a rich restructuring anti age care on a purely herbal base for the highest demands of the skin. The perfect match for the needs of demanding skin, without leaving any shiny or oily skin feeling.

### RECOMMENDED FOR:

For aging, wrinkles and tired skin.

### CHARACTERISTIC:

Energy booster, antioxidant, restructuring and protecting.

### INGREDIENTS & BENEFITS:

#### Q10-loaded NLC

Very first time worldwide tiny loaded Q10 Nanopearls® (NLC's). Q10 is antioxidant in both mitochondria and lipid cell membranes neutralizing free radicals and preventing oxidative injury to DNA in cells. Effective anti-aging properties.

#### Cannabis Sativa (Hemp) Seed Oil

Hemp Seed Oil slows down the wrinkle formation and skin ageing. It also prevent dehydration and protects against dry skin.

#### Wheat and Soy Protein (Tripeptide-1)

This peptide is combined with wheat and soy proteins to by the name of Aldenine. Tripeptide-1 mimics the relationship of the growth factors involved in the healing process and synthesis of collagen. Specifically, it is supposed to stimulate the synthesis of collagen I and III, fibronectin and laminin.

## CREAM TIMELESS AGE Q10

Restructuring anti-age care

### Zingiber Officinale (Ginger) Root Extract

Ginger is known for its excellent anti-aging properties due to its ability to dramatically slow down collagen degradation by inhibiting the collagenase enzyme therefore prevents and reverses wrinkle appearance.

### Hibiscus Sabdariffa Flower Extract

Rich in antioxidants such as polyphenols, anthocyanins and flavonoids. Ability to inhibits elastin degradation, helping to maintain the skin's elasticity thereby offering anti-ageing effects.

### **APPLICATION:**

Application after the individual selected cleansing of face and décolleté as a day care or as a 24H cream suitable. Especially recommended in combination with the XCELENT Skin Energizer Q10.

### **BEAUTY SPA:**

Dr. RIMPLER XCELENT Cream Timeless Age Q10 is a restructuring anti age care purely based with NLC Q10 as an energy source for keeping the skin structure in harmony.

### **SALES IDEAS:**

A highly effective revitalizing, restructuring cream. A holistic anti-aging care experience for the demanding skin, which is the best is good enough. Apply morning and / or evening on cleansed skin of the face and neck. This cream is like a delicate melt on your skin and leaves an incomparable, silky-soft skin feeling.
