

SÉRUM ACTIF TENSEUR (FIRMING)

Firming Ampoule

REF: 1.18550 (R) **PRESENTATION:** 7 x 2ml vials

4.50040 (C) 10 x 2ml vials

Special concentrate, on purely herbal base; for the specific activation of the demanding, nursing-spoilt skin. Applied as a cure, or locally, the concentrate donates an instant noticeable effect. The high concentrated selection of water-dissolvable wheat proteins delivers an immediately perceptible and visible firming on the skin surface.

RECOMMENDED FOR:

Recommended for clients who are concerned with slackened skin tone and the ageing process.

INGREDIENTS & BENEFITS:

Wheat Protein

The wheat germ protein provides amino acid and high glutamine levels to the skin, it effectively preserves and improve skin moisture.

Pyrus Malus (Apple) Fruit Extract

Malic acid stabilizes the natural protective acid layer on the skin. The production of lamellar lipid matrix is promoted and the natural process of skin desquamation is optimized.

Apple Pectin

Apple pectins form a layer of moisture on the surface of the skin. The water-binding molecules of the apple support the skin's own natural moisturizing factor (NMF).

Essential Cell-Boost-Factor (Chlorella Vulgaris/Lupinus Albus Protein Ferment)

It promotes the production of cell adhesion proteins and enhances the mechanical stability of the skin.

Aloe Barbadensis Leaf Extract

It is well known as a "miracle plant" which naturally rich in enzymes, vitamins, proteins and minerals. Aloe Vera aids to heal and soothe burned, irritated or inflamed skin; help to maintain skin's moisture balance; increases the synthesis and strength of skin tissue and encourages new skin cell production.

SÉRUM ACTIF TENSEUR (FIRMING)

Firming Ampoule

Hyaluronic Acid

A naturally occurring polysaccharide, acts as a "molecular sponge" trapping and holding water up to a thousand times its own weight and supports collagen fibers and structural proteins to keep skin plump and youthful.

PROPERTIES:

- Provides skin with moisture
- Regenerates and nourishes the skin
- Fosters the preservation of skin hydration and elasticity
- Skin's natural protective barrier is strengthened and reinforced by forming a protective film
- Skin appears soft and supple

APPLICATION:

To obtain maximum results, carry out the treatment for 10 to 15 days. After cleansing and toning, distribute the content of the ampoule evenly over the face, neck and décolleté. Apply light massage with pinching movements until the ingredient is fully absorbed. Continue apply with usual night or day moisturizer. Or using facial machine for better result.

BEAUTY SPA:

An active-substance concentrates for being part of cosmetic treatments. Ideal for use with ultrasound or iontophoresis machine to deliver hydrating and nourishing ampoules deep inside skin barriers.
