Makeup Remover Gel

REF: 1.11005 (R) **PRESENTATION:** 150ml tube
 4.11005 (C) 200ml tube

The makeup remover gel is a cleansing gel without detergents for the soft cleansing of the sensitive eye area and the face. Effectively clears away as it removes pollutants, debris and all traces of makeup from skin without stripping moisture. Infuse with Cornflower extract, a decongesting and soothing ingredient, making the hassle of removing make-up quick and painless process. This soothing solution features Chamomile to help calm and tone stressed skin. Special proteins promote an effortless, smooth glide over the delicate eye area, so you can remove makeup without irritation. Your eye area is left relaxed cool and smooth with your lashes and delicate skin preserved.

RECOMMENDED FOR:

All skin types.

Ingredients & Benefits:

Silk Proteins (Skin-Like Amino Acid – Sequence)

Silk protein offers maximum moisture retention to the skin due to its strong hygroscopic properties. Imparts remarkable elasticity, resiliency and restores the moisture balance. Silk proteins help strengthen the lashes and relieve dryness.

Cornflower

It offers refreshing, soothing, astringent, decongesting and softening benefits. It is particularly recommended to soothe irritated eyelids and the reddened, delicate skin of the eye area.

Chamomile

Has extraordinary healing and anti-inflammatory properties. It soothes and heals irritations.

APPLICATION:

Apply with a sufficient quantity of the refreshing Gentle Cleansing Gel to a wet cotton pad and gently clean the face and eye area with circular movements. It can also be rinsed-off with water.

BEAUTY SPA:

It is very suitable for the cabin treatment. Especially recommend for men and oily skin. Suitable for cleaning eye area, it helps the facial and eye care products effective absorption.
