

DRY SKIN – REFRESHING TONIC

Moisture Depleted Skin Lotion

REF: 2.90009 (R) PRESENTATION: 200ml bottle

5.90050 (C) 400ml pump bottle

A vitalizing tonic without alcohol for dry and dehydrated skin, prepares the skin for the following care products. The tonic can be used as a supplement / complement the cleaning and moisture as the first rail with any skin type. It is especially for dry skin in men and women.

RECOMMENDED FOR:

For all skin types especially dry skin and dehydrated skin.

INGREDIENTS & BENEFITS:

Witch Hazel Extract

As a natural antiseptic and astringent, which cleans and conditions the skin gently, helping to remove excess oil and reduce inflammation. It imparts a very cool soothing sensation and helps to visibly tone and firm the skin.

Propylene Glycol

A moisture carrying ingredient that helps skin retains moisture and restores suppleness by attracting water. It penetrates the upper layers of the skin well and leaves skin feeling silky and soft.

Glycerin

Plant derived (vegetable) glycerin helps preserve the skin's moisture. It improves the spread ability of products and has definite skin moisturizing benefits.

APPLICATION:

Apply morning and evening, gently wipe over the face and neck after cleansing with the Soft Cleansing Milk For Moisture-Less Skin. Follow Isabelle Lancray products.

BEAUTY SPA:

The Refreshing Tonic For Moisture-Less Skin could be used as a complementation for the cleaning for men and women. It is suitable for every skin type and especially recommended for very dry skin.
