

## SÉRUM ACTIF HYDRATANT (MOISTURIZING)

Moisturizing Ampoule

**REF:** 1.16750 (R)    **PRESENTATION:** 7 x 2ml vials  
4.50030 (C)                                    10 x 2ml vials

Intensive moisturizing fluid. The regulation of the natural moisture house hold will be activated and intensively forced. The processes will be optimized be an optimal diffusion. The epidermis feels soft and gentle, little injuries will disappear and little lines and wrinkles will be balanced. This ampoule is exceptionally effective when used prior to an Isabelle Lancray treatment mask, boosting the treatment and ensuring a much improved texture and smoothness to the face.

### **RECOMMENDED FOR:**

Recommended for all ages and all skin types Ideal for customers who are concerned with dehydrated and oxidative stressed skin that is dull and lacking in energy and radiance.

### **INGREDIENTS & BENEFITS:**

#### Papaya Extract

Contain the enzyme papain, which has wonderful exfoliating properties, helping to remove dead skin cell. The papaya extract has also healing and smoothing qualities, leaving the skin brightened and with a healthy glow. Rich in Vitamin A, C and E which rejuvenate the skin as well as beta-carotene which helps prevent oxidative stress.

#### Algae Extract

An active substance used to normalize the skin's moisture content and provide suppleness to the epidermis; protects mitochondria and increases cell turnover while adding vital oligo-elements, increasing surface hydration and providing skin an energizing and overall radiant glow.

#### ATP (Adenosine Triphosphate)

ATP is the main energy source for the majority of cellular functions; essential for physiological mechanisms; modulates inflammation. This fuel molecule energizes cellular activity which helps oxygenate skin, assisting in cell energy transfer and metabolism, shortening the cell's response time for self-repair, protein production and natural antioxidant protection. Skin looks brighter and younger naturally.

#### NMF-Factors Encapsulated In Liposome

Its cushy formula features a liposome delivery system, which mimics the skin's natural structure, showed an excellent ability to retain water in the system. Replicates the skin's own Natural Moisturizing Factor and boosts the water retention in the epidermis, while maintaining and repairing the skin's protective barriers.

## **SÉRUM ACTIF HYDRATANT (MOISTURIZING)**

Moisturizing Ampoule

### Hyaluronic Acid

A naturally occurring polysaccharide, acts as a “molecular sponge” trapping and holding water up to a thousand times its own weight and supports collagen fibers and structural proteins to keep skin plump and youthful.

### **PROPERTIES:**

- Hydrates
- Replenishes moisture
- Smooths and reduces fine lines and wrinkles
- Refines pores

### **APPLICATION:**

To obtain maximum results, carry out the treatment for 10 to 15 days. After cleansing and toning, distribute the content of the ampoule evenly over the face, neck and décolleté. Apply light massage with pinching movements until the ingredient is fully absorbed. Continue apply with usual night or day moisturizer. Or using facial machine for better result.

### **BEAUTY SPA:**

An active-substance concentrates for being part of cosmetic treatments. Ideal for use with ultrasound or iontophoresis machine to deliver hydrating and nourishing ampoules deep inside skin barriers.
