

ESSENCE MIRACLE COMPLEX ANTI-ROUGEURS

REF: 1.11800 (R) **PRESENTATION:** 15ml exclusive pump dispenser
4.11800 (C) 30ml glass bottle with dropper

Soothing – Innovative active agent concentrate with a patented raw material for a noticeable calming and normalizing of the skin, which has a tendency to irritations, and reddening. Antioxidative, anti-inflammatory, vascular strengthening, oedema protective and moisturizing.

RECOMMENDED FOR:

For delicate and sensitive skin which prone to flare-ups and irritation, including problematic skin.

INGREDIENTS & BENEFITS:

Lesser Celandine Root Extract (Pilewort)

Which reactivates microcirculation to decongest red, puffy skin and also help combat bacterial and viral skin infection and relieve skin inflammation.

Smart Crystal Rutin

- Nanocrystals of rutin.
- Protection against oxidation.
- Activates the collagen synthesis – for less redness and a stronger tissue.
- Anti-inflammatory.

Fucose – Rich Polysaccharide

Which gives skin softness and long lasting hydration due to its water captor effect. It also known for allergy reducing effects.

APPLICATION:

Apply in the morning and / or evening a few drops to face, neck and décolleté and finalize the care with one of our individual selected and corresponding care product lines.

BEAUTY SPA:

Within a cabin treatment as an ampoules phase for the vessel deficient and irritated skin. For a profounder penetration, in the deeper skin layers, is the use of ultrasound or needle-free mesotherapy recommended. The perfect lubricant is our *EGOSTYLE Firming Gel Mask*.

ESSENCE MIRACLE COMPLEX ANTI-ROUGEURS

SALES IDEAS:

A special product for the treatment of skin prone to reddening and irritations. Grace to the use of exclusive active agents in a maximum dose, donates this serum a fast and efficient hydration. A fine and silky skin sensation is already noticeable after the use for the very first time.
