Sensitive Skin Lotion

REF: 1.18015 (R) **PRESENTATION:** 200ml bottle
4.18015 (C) 400ml pump bottle

Intensive soothing alcohol-free tonic for stabilizing the natural balance of the sensitive skins which prone to redness. A high content of Hibiscus and Horse Chestnut extracts characterize the strong calming and soothing properties of this special tonic.

RECOMMENDED FOR:

For delicate, sensitive skin, intolerant and allergy-prone skin.

INGREDIENTS & BENEFITS:

Fucogel (Biosaccharide Gum-1)

This polysaccharide is a natural moisturizing agent that builds a weightless barrier on the skin to help combat dehydration, imparts a pleasant softening and cooling sensation.

Hibiscus

It has anti-inflammatory, decongestant, firming, antiseptic, and anti-allergic properties. It also provides strong antioxidant activity and inhibits elastin degradation to maintain skin elasticity.

Horse Chestnut Extract

It has astringent, anti-inflammatory, toning properties. The extract acts like an antioxidant, helping to inhibit the enzymes collagenase and elastase, which results in healthier collagen and supportive skin structures. Apart from improving the health of veins and capillaries, it helps to prevent "capillary fragility", help to balance circulation in the skin, promoting a clear, even complexion and good skin tone.

APPLICATION:

Apply morning and evening, gently wipe over the face and neck after cleansing with the Calming Cleansing Milk For Sensitive Skin. Follow Isabelle Lancray products. Do not use the tonic as eye compresses.

BEAUTY SPA:

Perfect tonic depending on skin's condition after the cleansing or as a finish care after a special treatment. Do not use it as eye compresses! Irritated skin and reddening are visibly diminished and the skin is ideally prepared for the following treatments.
