

RICH HYDRATING CREAMY MASK

Creamy Mask For Dry & Stressed Skin

REF: 1.16950 (R) **PRESENTATION:** 50ml tube
4.16950 (C) 200ml tube

Rich, compact cream mask containing a cocktail of exotic plant extracts and nanotechnology encapsulated oils from the South Sea is the perfect supplementary skin care product for enhancing the restructuring of moisture-deficient, dry skin. Bio intelligent active substances stimulate the production of the happy hormone endorphin for a persistent pleasant wellbeing.

RECOMMENDED FOR:

For poor-moisture, dry, sensitive and irritated skin.

INGREDIENTS & BENEFITS:

[Kukuinut Nanopearls®](#)

Cold pressed from the fruit of the native Hawaiian Kukui tree to protect the skin against any kind of environment influences; rich in unsaturated fatty acids; the oil is incorporated into NLCs an added directly to our formulation.

[Glistin® \(Synthetic Pseudo-peptide\)](#)

Synthetic pseudo-peptide to improve the conduction of signals within the tissue and to enhance transmission of the sense of well-being.

[Betatephroline®](#)

An extract from the seeds of the wild indigo (Ahuhu), which increases endorphins (happiness hormone) production and thus well-being.

[Monoï Tiare Tahiti®](#)

The native Tiare Tahiti flower extracts that nourishes sensitive, dry and irritated skin.

[Cocoin®](#)

Milk extract from young, green coconuts for supporting the tissue growth. Coconut milk is rich in proteins, amino acids, sugars, vitamins, minerals and growth hormones.

[Tamanol® \(Tahitian Plant Extract\)](#)

Tahitian native tree extract which stimulates the synthesis of collagen III synthesis and thus ensures lasting wrinkle reduction.

[Tocopherol](#)

Source of vitamin E, a powerful antioxidant; promotes maximum moisturization and helps soften the skin while preventing cellular damage.

RICH HYDRATING CREAMY MASK

Creamy Mask For Dry & Stressed Skin

Ubuntu Ximenia Virgin® (Ximenia Americana Seed Oil)

Rich in unsaturated fatty acids; preserves the integrity of the cellular wall and has a restructuring effect. Nourishing and moisturizing, it softens and revitalizes the skin naturally.

Squalane

Derived from olives; a major component of human skin surface lipids (or oils); helps to keep skin soft and healthy; antioxidant capabilities help to protect from the harsh effects of the environment.

7 Prestigious Skin Caring Extracts (Magnolia, Chamomile, White Willow Bark, Green Tea, Thujopsis Dolabrata Branch, Grapefruit & Propolis)

An natural age defying formula contains high concentration of anti-oxidants, vitamins, amino acids, lipids and minerals, which are essential for skin cellular mechanism, collagen synthesis, anti-aging and regenerative activities. It has multiple functions:

- Anti-oxidant with moisturizing activity: to protect the skin's natural defense against the environment while preventing moisture loss and helping all skin types prevent and repair visible signs of aging.
- Anti-microbial activity: to fight against skin problem caused by microorganisms including gram negative and gram positive bacteria, yeast and fungi.
- Natural preservative.

PROPERTIES:

- Enriched, compact cream mask with a cocktail of exotic plant essences and encapsulated nano technological oils of the South Sea, for the reconstruction of the dry skin and for a lasting reduction of wrinkles.
- Bio-intelligent active agents stimulate the release of the happy hormone-endorphin which ensures a lasting well-being.

APPLICATION:

2-3 times a week as an intensive care. After the appropriate cleansing, apply to face & neck (including the eye-and lip area) and wait until complete absorption or rinse off the remaining after about 20 minutes. Suggestion: Leave the mask on, as an overnight treatment!

BEAUTY SPA:

Please include the eye and lip area. Take off the remaining after about 20 minutes, either dry/humid or massage in thoroughly. Especially recommended in combination with the PROFESSIONAL SURMER Hot/Cold Stone energy treatment with the shell stone massage.

SALES IDEAS: Ideal supplementary care for the particularly demanding, dry skin. Low in preservatives and based on sugar emulsifiers, which nurture at the same time and are therefore very gentle and well skin tolerated.
