

## CLEANSING FOAM

Mousse Cleanser

**REF:** 1.10000 (R) **PRESENTATION:** 100ml dispenser pump

Mild fine pored cleansing foam with fruit extracts for the daily cleaning of all skin types. A vitalizing Tangerine extract lends the product a fruity freshness character and pure plant oils from the olive provide an ample supply of moisturizing emollients after cleansing.

### RECOMMENDED FOR:

All skin type especially dull and stress skin.

### INGREDIENTS & BENEFITS:

#### Mild Surfactants With Plant Oils From The Olive (Squalane)

Squalane is naturally derived from olives. This incredible oil restores skin suppleness and flexibility, enhances elasticity and moisture retention. Due to its anti-oxidant capacity Squalane can help protect from free radicals, reduce the appearance of wrinkles and boost new cell growth. Squalane is also a natural bactericide and healer.

#### Tangerine Extract

Contains pectin, essential oils, and is rich in vitamins. Reputed to strengthen epidermis, increases circulation, cell hydration, support cell regeneration & collagen formation, protects against free radical damage and is a good skin tonic. Its scent is uplifting, energizing & promotes a sense of peace, calm and happiness, and to dispel the sense of depression.

### APPLICATION:

Apply every morning and evening a small amount of Vitamina Cleansing Mousse to the fingertips and gently massages it into the skin with circular movements. Afterwards, remove remains with lukewarm water.

### BEAUTY SPA:

After cleansing with Vitamina Cleansing Foam, treat the skin with Vitamina Foaming Lotion. Skin care products applied afterwards are easily absorbed by the skin.

## **CLEANSING FOAM**

Mousse Cleanser

### **SALES IDEAS:**

- Gentle cleansing
- Oil-restoring
- Economical to use
- Dispenser pump guarantees a soft and fluffy foam without aerosol propellant
