

FRUITY CREAMY MASK

Multivitamin Mask

REF: 1.10130 (R) **PRESENTATION:** 50ml tube
4.10130 (C) 200ml tube

This revitalizing, rich cream mask is like the fountain of youth for the dry, moisture-poor skin. Its invigorating fresh cell treatment-like effect promotes the repair and restructuring of the lipid film in the epidermis to restore the skin to its healthy, normal condition so that it can carry out its vital protective function. An extract from the Sicilian Lemon and fresh cells from the Kiwi, which contain high concentrations of vitamin C and minerals, as well as a skin-energizing mix of lipid-soluble vitamins and unsaturated fatty acids stimulate the cellular metabolism, clarify and refresh the complexion and reestablish the skin's natural balance. Kiwi Fresh Cells are a reliable, natural reservoir for highly effective, bioavailable vitamin C. The basis of the mask itself is a valuable active ingredient and, like mortar for repairing a wall, imbeds itself into the extracellular matrix of the horny layer of the epidermis.

RECOMMENDED FOR:

All skin type especially dry and moisture-poor skin.

INGREDIENTS & BENEFITS:

Kiwi Fresh Cells

Kiwifruit is naturally high in vitamins, minerals, antioxidants and omega-3. Kiwifruit are especially high in Vitamin C & E, which helps to regenerate the skin's cells and maintain tone and elasticity. Antioxidant properties work to protect against environmental stress, the cause of premature ageing in skin. Fine lines and wrinkles are minimized resulting in a softer younger looking complexion. It also contains a natural enzyme complex that allows gentle exfoliation through the softening and solubilisation of dead skin cells. Promote the regrowth of healthy cells.

Sicilian Lemon Extract

It is a source of naturally occurring Citric Acid. Citric Acid is an Alpha Hydroxy Acid (AHA) with a mild exfoliating effect on the skin. Slows oxidation process, naturally adjusts the pH of products and improves brightness and coloration while mildly reducing wrinkles. Also used as an anti-inflammatory.

Squalane

Derived from olives; a major component of human skin surface lipids (or oils); helps to keep skin soft and healthy; antioxidant capabilities help to protect from the harsh effects of the environment.

FRUITY CREAMY MASK

Multivitamin Mask

Hemp Seed Oil

Hemp Seed Oil contains a high amount of polyunsaturated essential fatty acids that helps heal skin lesions, balance dry skin, and fight skin inflammations. It is a non-greasy emollient, and has a moisturizing compound with excellent anti-ageing and moisture balancing properties.

PROPERTIES:

- Stimulation of the cellular metabolism
- Refreshes the complexion
- Reestablishes the skin's natural balance
- Moisturizing

APPLICATION:

Several times a week, in the evening, apply a thin layer to the face and throat; include the eye area. After 15-20 minutes, either use cosmetic tissues to dry the remains, remove with damp cosmetic tissues or leave on overnight.

BEAUTY SPA:

Use as a finishing mask to relax, soothe and intensively hydrate the entire face, including the contours of the eyes and the throat. The mask is almost completely absorbed by the skin within 15 to 20 minutes. Remove the remains with damp cloths or tissues. The skin is refreshed and has a youthful fullness.

SALES IDEAS:

- Perfectly harmonized and especially vitalizing and moisturizing ingredients
- Ensures a visible treatment result
- Wonderful feeling on the skin which is already noticeable after the first use
- For a maximum effect leave on overnight
