

NEOZEN BALANCING ANTI-REDNESS MASK

Multi-Functional Creamy Mask

REF: 1.19050 (R) PRESENTATION: 50ml tube

4.19050 (C) 200ml tube

The Balancing Anti-Redness Mask is more than just a mask! Like all ZENSIBIA products, this product features the emulsion matrix, which is packed with active ingredients. It also uses unique Ceraparts®, which contain Ceramide. The skin barrier is repaired, reinforced and protected in as natural a way as possible. In addition, Probiotic active ingredients ensure a healthy skin flora and activate the skin's natural immune system. State-of-the-art Neurocosmetic ingredients alleviate stress symptoms and provide a long-term calming effect. White Tea has a comprehensive protective effect on your skin. Due to its gentle manufacture, the polyphenols, minerals and micronutrients contained in the product remain active and so block the oxidation process for free radicals, and have an anti-inflammatory, vein-stabilising and subtly illuminating effect.

RECOMMENDED FOR:

For delicate, sensitive skin prone to flare-ups and irritation. It is also target on **serious** dehydrated skin cause to tightness, peel off and itchy.

INGREDIENTS & BENEFITS:

The Novel Active Carrier System Ceraparts®

- Repair, protection and care of the hydrolipid film
- Reduction of TEWL

White Tea

White Tea extract is a rich source of anti-oxidants, such as vitamins C and E and is valued for its stimulating, anti-inflammatory and free radical scavenging activity. White Tea extracts also to help repair the effects of aging and environmental factors on skin, rejuvenate skin, prevent sun damage and promote elasticity.

Pomegranate Phytosterol

An excellent antioxidant; enhances the skin's resilience and significantly increases the skin's ability to retain water.

Neutrazen

A synthetic neuropeptide reduces inflammation and strengthens the walls of blood vessels and prevent the spread of pathogens in the skin.

NEOZEN BALANCING ANTI-REDNESS MASK

Multi-Functional Creamy Mask
