

## ULTRAZEN BALANCING SERUM

Extra Sensitive Skin Serum

**REF:** 1.19045 (R)   **PRESENTATION:** 20ml airless dispenser  
4.19045 (C)                              50ml airless dispenser

Emergency Control for your skin! Highly concentrated, harmonizing creamy serum to repair, protect and reconstruct the sensitive skin. Composed of a Lecithin based emulsion matrix with natural oils like Ximenia Oil or Rice Germ Oil.

In this precious base are embedded treasures of the Asian flora and the novel carrier system Ceraparts® - mainly made of membrane-stabilizing Ceramides and valuable, strengthening actives of the Pomegranate. A sophisticated combination of Blue and White Lotus with Magnesium saves from visible signs of skin ageing, evens fine lines and protects against further irritations. Lotus extract contains high degrees of flavonoids and anthocyanins – highly effective scavengers of reactive oxygen and thus preventing the oxidative damage of proteins, lipids and DNA. The Magnesium, encapsulated in a natural carrier system, strengthens the biological processes of the cells and the histamine-inhibiting Kudzu Bean extract provides calmness for the skin through preventing reactions. A synthetic Neuropeptide reduces mediators of inflammation, stabilizes vessels and prevents a pathogen skin flora. Probiotic Glucan strengthens the skin’s defensive forces.

### RECOMMENDED FOR:

For delicate, sensitive skin prone to flare-ups and irritation. It is also target on **serious** dehydrated skin cause to tightness, peel off and itchy.

### INGREDIENTS & BENEFITS:

The Novel Active Carrier System Ceraparts®

- Repair, protection and care of the hydrolipid film
- Reduction of TEWL

#### Mg-Relax

Mode of action: Thanks to the double relaxing (Yin) and energizing (Yang) effect of its constituents, Mg-Relax is a rebalancing active to minimize stress effects on the skin. Mg-Relax acts particularly on inflammation reduction, on cellular metabolism stimulation and on face muscles tensing decrease. It is a physio-vegetal complex combining:

**Magnesium PCA:** Anti-aging, activates cellular functions and anti-inflammatory.

**Blue & White Lotus Flower Extract:** Contains high concentration of flavonoids & anthocyanins which highly effective scavengers of reactive oxygen and thus preventing the oxidative damage of proteins, lipids and DNA.

## ULTRAZEN BALANCING SERUM

Extra Sensitive Skin Serum

### Pomegranate Phytosterol

An excellent antioxidant; enhances the skin's resilience and significantly increases the skin's ability to retain water.

### Kudzu Bean Extract

It acts as antihistamines, which block the histamine receptors and thus prevents the development of allergic reactions.

### Neutrazen

A synthetic neuropeptide reduces inflammation and strengthens the walls of blood vessels and prevent the spread of pathogens in the skin.

### Bodyfensine

Synthetic peptide stimulating the production of natural defenses of the skin.

### Probiotic Glucan (BioEcolia)

$\alpha$ -oligoglucan, protector of the skin ecosystem. Plant based Glucan to inhibit the pathogenic germs on the skin. BioEcolia rebalances, maintains and even stimulates the skin's Ecoflora, it considered to be the body's first line of defence against external attack.

### Rice Germ Oil, Ximenia Oil & Squalan

- Rich in unsaturated fatty acids and tocopherols
- Natural emulsifier

### **PROPERTIES:**

- Irritations bring under control - to the rescue
- Repair, protection and maintenance of hydro-lipid film (SOPI principle)
- Controlled and targeted drug delivery
- Massive reduction of inflammation
- Prevention of defective / disturbed skin flora
- Allergic reactions to binding

### **APPLICATION:**

Apply morning and / or evening, under a system of ZENSIBIA toiletries DERMAZEN Balancing Protection Cream or NUTRIZEN Balancing Nutrition Cream and gently worked into the skin.

### **BEAUTY SPA:**

Active agent within a treatment for sensitive, delicate skin in combination with other ZENSIBIA products.

### **SALES IDEAS:**

- EO-/ PEG-free (no chemical contain)
