

AGE INTELLIGENCE CELLULAR  
RECOVERY 3D HAND CREAM

The first 3 dimensional healing hand cream that can be compared to an “invisible glove”. It keeps age-triggering aggressions out and is not “washed off” by regular hand washing throughout the day.

The BENEFITS

- Protected and actively regenerated, the hands recover suppleness and maintain their elasticity.
- At the same time re-epithelialization is promoted on a daily basis and the damages occurring as a result to daily life; abrasions, topical irritations, minor burns, extreme high or low temperature exposures are minimized and counteracted as the skin's own repair capacity is maximized.
- Cellactel 2 complex acts in synergy with all other ingredients to boost vital skin functions and revitalize cellular metabolism.

The CUSTOMER

- For all customers concerned with aging hands, dryness or irritated skin, chapped skin and/or chapped cuticles, exposure to harsh environment or hard tasks. All skin conditions including sensitive skin.

The TECHNOLOGY

MADECASSOSIDE®

A patented pharmaceutical ingredient proven to protect the skin against inflammation. It rebalances the skin's natural renewal capacity and restructures the extra-cellular matrix. The result is a more resilient and younger-looking skin.

MASTERWORT EXTRACT

A botanical born from traditional Swiss medicine and renowned for its tremendous wound healing, anti-inflammatory and anti-oedema properties.

THE BIO-MOLECULAR SKIN-PATCH

Is composed of a high molecular weight polysaccharide, obtained from bio-fermentation. This polysaccharide has a wide dispersion capacity on the skin's surface and creates an invisible matrix that has a remarkable keratin-binding effect; it allows the skin to breathe normally while shielding it from the outside.

RECOVERY 3D HAND CREAM

CELLACTEL 2 COMPLEX

Cell Shock's unique cell-regenerating complex, boosts vital skin functions and revitalizes cellular metabolism to "lift" the skin and visibly reduce wrinkles.

The APPLICATION

Smooth a small amount onto clean dry hands. Massage from the back of the hands up to wrist paying particular attention to massaging it onto the nails and cuticles.
