

## EYE ZONE TRANSFORMING MASK

A fresh-cream mask for the delicate eye zone with a “transforming” effect making all eye zone concerns change for the better: all-in-one anti-wrinkle, firming, de-puffing and anti-dark circles. It is ideally companion for those people who are overworked and constantly on the go. Ophthalmological tested.

Ref. 1178 - 30ml airless pump

Ref. 1178C - 75ml tube

### The BENEFITS

- Reduces edema and the surface of eye bags and significantly increases skin firmness and tone.
- Helps promote a youthful eye area with an even skin tone by counteracting the signs of fatigue and environmental stress.
- The ultimate SOS or “pick me-up” product for a tired eye contour.

### The CUSTOMER

- Anyone concerned with puffiness and dark circles.
- All ages and skin conditions.

### The TECHNOLOGY

#### HYALURONIC-ACID

Pure hyaluronic acid to act as hygroscopic material which can readily absorb moisture with an immediate film-forming and lifting effect. The hyaluronic acid film helps preserve the most important characteristic of youthful, healthy skin, such as suppleness, elasticity and tone.

#### TRANSFORMING COMPLEX

Reduces under-eye puffiness by favouring lymphatic drainage and fighting skin slackening. It is obtained from the combination of bio-technological extracts of alfalfa, white lupin and elder flowers, all rich in oligopeptides and oligosaccharides. It inhibits the activity of angiotensin converting enzyme(ACE), which is involved in the regulation of the antagonist vasoconstriction/vasodilation systems that control the flow of lymph and the active thus favours the elimination of excess interstitial fluid and reduces oedema (tissue swelling), It improves tone and firmness thanks to a boosting effect on metabolic synthesis as it stimulates the synthesis of collagen I, making skin tissue denser and also reduces the synthesis of MMP-1 (Matrix Metalloproteinase-1), limiting the degradation of the extracellular matrix.

*In vivo tests against placebo have shown that this complex significantly reduces oedema and the surface of eye bags and significantly increases skin firmness and tone, rejuvenating the appearance of the eye contour area and smoothing traces of accumulated fatigue.*

## EYE ZONE TRANSFORMING MASK

### OLIGO-MINERAL COMPLEX

The Oligo-Mineral Complex was specially designed to respond to the nutritional needs of the stressed skin suffering from fatigue. It has the ability to stimulate the cellular metabolism, the synthesis of intracellular ATP and cell growth thanks to the combined actions of zinc, magnesium and manganese.

### CELLACTEL 2 COMPLEX

A unique cell-regenerating complex boosts vital skin functions and revitalizes cellular metabolism to "lift" the skin and visibly reduce wrinkles.

### The APPLICATION

#### AS AN ANTI-WRINKLE, REGENERATING MASK

Apply a thin layer at night and allow it to deliver its benefits while sleeping. Next morning remove the film-layer with a cotton pad moistened in cold water.

#### AS A S.O.S ANTI-FATIGUE, BRIGHTENING MASK

Apply a very thin layer whenever needed and allow it to set for 5-10 minutes. Remove the film-layer with a moistened cotton pad.

For a maximum brightening effect, simply use the fingertips in soft movements to "conceal" the entire eye zone without removing the mask.
