

AQUA-VITALE LIFTING MOISTURIZER

A therapeutic cream that helps minimize the changes affecting the skin when one reaches mid-life. It nourishes and lifts the skin with moisturizers and a new, patented complex based on clover flower, which counteracts the negative effects of estrogen loss.

Ref. 1121 - 50ml jar

Ref. 1121C - 250ml tube

The BENEFITS

- The clinically proven clover flower complex effectively restructures and regenerates the skin, visually improving its overall micro-relief.
- Evening primrose oil, panthenol and red algae act in synergy to replenish and moisturize the skin.

The CUSTOMER

- Recommended for dry to very dry and sensitive skin. Ideal for menopausal women.

The TECHNOLOGY

FILAGRINOL COMPLEX

Soybean oil, Olive Oil, Wheat Germ Oil help to support all the physiological functions of the skin.

COMPLEX OF CLOVER FLOWERS

Clinical tests show excellent skin moisturizing, wrinkle repair and dermis regeneration. Helps stimulate cell metabolism, strengthening the skin. Smooths and improves overall micro-relief.

EVENING PRIMROSE OIL

Contains a high amount of Gamma Linoleic Acid, which is one of the fatty acids vital to the maintenance of normal function of the epithelial barrier membrane.

PANTHENOL (PROVITAMIN B5)

Long lasting moisturizer that stimulates normal keratinization.

RED ALGAE POLYSACCHARIDES

Seaweed extracts stimulating, revitalizing and nourishing due to its iodine and amino acid content.

UVA & UVB SUNFILTERS

Protect the skin.

The APPLICATION

Apply cream, day and/or night, over the face and the neck. It may be used after FV Aqua-Vitale Serum 24 for best results. Use regularly or as an intensive de-aging treatment.
