

BI-PHASE MAKE UP REMOVER – EYE & LIPS

This non-oily eye and lip make-up remover gently removes all make-up, including waterproof and long-stay lipsticks. Make-up particles will be deeply captured, while preserving the delicacy of the eyes and skin. It contains mineral salts and anti-free radicals to soothe tired eyes. Ophthalmologically tested, it is suitable for contact lens wearers.

The TECHNOLOGY

ALPINE WILD WATER

This skin-friendly water contains precious minerals like Calcium and Magnesium which strengthen and boost skin's metabolism while detoxifying it. The pure, clean Swiss Alpine "Wild Water" is ideal for all skin types.

WATERCRESS EXTRACT

Rich in Sulforaphane, Watercress extract helps to detoxify the skin while regulating moisture balance and producing a purified, glowing healthy complexion.

BRAZIL NUTS

From South America, the Brazil Nut tree, reaching 30 – 45 meters tall and 1 – 2 meters diameter, is among the largest trees in the Amazon rainforest. The nut's oil is high in essential fatty acids and amino acids, ideal for nourishing fragile eye lashes, and rich in Vitamins A, E and Selenium, all powerful, natural anti-oxidants.

The APPLICATION

Shake well before use. Lightly soak a cotton pad with the lotion and gently sweep in a downward movement over the top of the eyelids and eyelashes. Optional: follow with a cotton pad soaked with tepid water to remove any slight remaining residue. This product can also be used on lips.
