

## REFRESHING FOAM CLEANSER

This sparkling and invigorating foaming gel cleanser foams upon contact with water. It offers a deep-cleansing that removes make-up, urban impurities and excessive surface oil.

Ref. 1703 - 160ml pump bottle

Ref. 1703C - 500ml pump bottle

### The BENEFITS

- Detoxifies and decongests the skin while regulating moisture balance.
- Vitamin C brighten the skin, while proteolytic enzymes promote natural exfoliation.
- Betaine, a plant-based sugar deeply moisturizes.

### The CUSTOMER

- Recommended for all skin types, except dry.

### The TECHNOLOGY

#### ALPINE WILD WATER

This skin-friendly water contains precious minerals like Calcium and Magnesium which strengthen and boost skin's metabolism while detoxifying it. The pure, clean Swiss Alpine "Wild Water" is ideal for all skin types.

#### WATERCRESS EXTRACT

Rich in Sulforaphane, Watercress extract helps to detoxify the skin while regulating moisture balance and producing a purified, glowing healthy complexion.

#### BETAINE

This plant-based sugar deeply moisturizes the skin while compensating for the drying effects of harsh tap water.

#### LYCHEE EXTRACTS

Extracts from both the peel and the pulp provide an infusion of Vitamin C to brighten the skin, while Proteolytic enzymes promote natural exfoliation.

### The APPLICATION

The skin should be cleansed twice per day. Wash your hands and moisten the face and neck. Pour sufficient amount of the gel onto the wet palm of your hand. Work into foam and then apply onto the moist skin of the face and neck. Avoid the eye area. Lightly massage and rinse thoroughly with lukewarm water. Blot dry.
