The BENEFITS

- Detoxifies and decongests the skin while regulating moisture balance.
- Boosts the water retention in the epidermis counteracting fine lines and dehydration.

The CUSTOMER

- Recommended for all skin types, except oily.

The TECHNOLOGY

ALPINE WILD WATER

This skin-friendly water contains precious minerals like Calcium and Magnesium which strengthen and boost skin's metabolism while detoxifying it. The pure, clean Swiss Alpine "Wild Water" is ideal for all skin types.

WATERCRESS EXTRACT

Rich in Sulforaphane, Watercress extract helps to detoxify the skin while regulating moisture balance and producing a purified, glowing healthy complexion.

NMF COMPLEX

Comprised of different plant-based ingredients, NMF Complex replicates the skin's own Natural Moisturizing Factor and boosts the water retention in the epidermis.

PRICKLY PEAR EXTRACT

The pulp of the Prickly Pear fruits, rich in carbohydrates and flavonoids, soothes, reduces redness, and protects fragile or congested skin.

The APPLICATION

Apply mornings and evenings, gently wipe over the face and the neck. Follow with the appropriate Swiss line products.
