

NIGHT CREAM

Rich night cream

REF: 730 (R)

PRESENTATION: 50ml jar

The nourishing Dr. RIMPLER BASIC HYDRO Night Cream is rich in activating and oil-restoring ingredients so that the skin's resistance is strengthened against external influences. Dr.RIMPLER BASIC HYDRO Night Cream effectively activates cellular renewal to counter external skin damage such as sunburned skin. It can also be used as a light massage cream.

RECOMMENDED FOR:

For normal, dry and dehydrated skin.

CHARACTERISTIC:

Moisturizing, regenerating, soothing and oil-restoring.

INGREDIENTS & BENEFITS:

Hydrolyzed Sweet Almond Protein

- Rich in vitamin E and anti-oxidant.
- Provide healthy, unsaturated fats that help moisturize the skin from the inside out.
- It has hydrating and protective properties.

Dicaprylyl Ether

Plant derived oil, primary act as emollient to create a soft and smooth skin appearance. Provide a non-greasy and refreshing texture.

Glycerin

A humectant, absorb water from air to moisturize the skin. In other hand, it also works to prevent the irritation, rough and dull skin problem.

APPLICATION:

Apply evenly in the evening after careful cleansing and toning to the face, neck and décolleté.
