

It's nature inside.

CUTANOVA ORGANICS meets the spirits of time of modern people on the quest for nativeness. It is the perfect care in harmony with the nature. The wisdom of traditional, indigenous medicine and the long forgotten knowledge about plants from this region combined with scientific know-how gives this line a unique effectiveness.

CUTANOVA ORGANICS is a natural, highly innovative product concept with a holistic ideal.

CUTANOVA ORGANICS – a perfected symbiosis of effectiveness and responsibility. The respectful handlings of our environment together with natural active ingredients form a modern and sophisticated skin care line. “Fair trade” and a climate friendly production are our moral commitments to manufacture sustainable cosmetics of highest quality.
