CUTANOVA ORGANICS

HERBAL DAY CARE

Natural day care

REF: 775 (R) **PRESENTATION:** 50ml airless dispenser

775.2 (C) 150ml airless dispenser

Naturalness and highly innovative active agents are combined with indigenous plant extracts. Natural mineral pigments as a physical sun protection minimizes visible lines and wrinkles. The oil of the "Moringa oleifera tree", also "called miracle tree for life" develops in this green product composition its anti irritative effect and an allover protection. The own body defense mechanism is improved and balances the declining supply demand in the long run. A cocktail of balloon plant extract and black currants is intensively calming and is the ideal care also for very sensitive skin. Start every new day with a smile and CUTANOVA ORGANICS Herbal Day Care.

RECOMMENDED FOR:

For all skin types.

CHARACTERISTIC:

Boosting, protecting and calming.

INGREDIENTS & BENEFITS:

Moringa Oil

The Moringa tree is referred to as the miracle tree because all parts of the tree are utilized for their considerable pharmacological and nutritional value. An exclusive blend of natural oils such as Moringa seed oil, which is high in unsaturated oleic acid and extremely rich in multiple vitamins, protects the skin against environmental stressors and free radicals, strengthens the body's defences against UV radiation and provides longlasting skin care. A top-of-the-line, multi-active cocktail for DNA protection and repair, moisture and rebalance stressed skin, making it significantly less susceptible to irritation.

Meadowfoam Seed Oil (Limnanthes Alba Oil)

The oil from the meadow foam seeds is green characteristic fragrant oil with unusual properties. The native meadow foam oil is considered as being the most stable of all oxidation oils. In many studies, it has emerged to be even more stable than native jojoba oil. It reminds to jojoba oil in its skin sensation and its absorption behavior. It procures a really silky, smooth and non-greasy skin sensation.

Ximenia Americana Seed Oil

Has a powerful hydraulic locks, the lock water barrier of skin, while to increase the sebum organizational structure, reduce the inflammation and sensitive.

HERBAL DAY CARE

Natural day care

Defensil ®

A multifunctional active ingredient mixture for sensitive skin. Defensil ® protects the skin barrier and has an anti-inflammatory effect.

- Balloon Vine (Cardiospermum Halicacabum)
 Cardiospermum is effective against itching and allergic skin rashes. It harmonizes and protects irritated skin.
- Echium Oil cold pressed power oil

 The stearidonic acid (omega-3 fatty acid) from the echium oil possesses antiinflammatory properties, protects and strengthens the skin barrier.
- Unsaponifiable elements of the sunflower

 The unsaponifiable elements of the sunflower oil provide valuable nutritional elements such as phytosteroles, tocopherols and squalene.

Phytessence™ Holyherb

PhytessenceTM Holyherb is a plant extract of Eriodictyon californicum. Belonging to the Hydrophyllaceae family, holy herb is native to Central America (Mexico and southwest of USA). Its evergreen leaves are covered with a resin which protects the plant from the sun, thanks to its rich flavonoid content, which is mainly comprised of homoeriodictyol and eriodictyol. It protects and strengthens the natural mechanism which repairs DNA in cells exposed to ultraviolet stress.

Apaliaht®

Based on natural minerals, with a light sun protection factor, which does not develop bio persistent and hexagonal crystals. This natural agent is not liable for declaration. It increases the skin elasticity.
