

N° 391 CLARIFYING MATRIX

REF: 391(R) **PRESENTATION:** 20ml airless dispenser
391.1 (C) 50ml opal glass dispenser

The INTENSIVE Med N° 391 is special for sebum-regulating effect through inhibition of 5α -reductase, as proven in clinical studies. A patented organic ingredient from fermented yeast has a natural and mild exfoliating effect, helps plump up the skin, fight skin irritation and boost collagen production, and has a noticeable anti-aging effect. A marine exopolysaccharide ensures improved cell renewal by supporting the breakdown of dead cells and preventing the stratum corneum from becoming too thick and rough.

RECOMMENDED FOR:

For impure and oily skin.

CHARACTERISTIC:

Relieves itching, strengthens the skin barriers, smoothing, regulating and purifying.

INGREDIENTS & BENEFITS:

Grain Ferment

This patented organic ingredient from rye has a natural, gently clarifying effect, normalizing the skin flora by selectively killing off pathogenic germs. This prevents skin irritation and supports regeneration of the matrix. Relieves itching, strengthens the skin barrier, smooths and nourishes the skin, which improves the flow of sebum.

Marine Exopolysaccharide

Biotechnologically produced from plankton, this high-purity polysaccharide has four functions: stimulating cell renewal and immune defenses, reducing chronic inflammatory markers and supporting rehydration.

Avocado

Rich in oleic acid content, help to maintains moisture in the epidermal layer of the skin, make the skin soft and hydrated and also to prevent the skin from acne, blackhead and whitehead.

APPLICATION:

Apply a few drops to the face, neck and décolleté in the morning and/or evening. Follow with an appropriate care cream to protect the skin.

N° 391 CLARIFYING MATRIX

SALON/SPA:

In combination with the White Baltic Gold treatments or also instrument-based treatments with ultrasound, no-needle mesotherapy, radio frequency or similar, the intensive serum acts as a deep-action care concentrate. It is also excellent for allergy sufferers, as its lack of fragrances, colorings and emulsifiers makes it especially kind to the skin and there is no risk of allergies.

When used in combination with instrument-based treatments, its effect can be accelerated with MED Matrix Gel for excellent results.
