SPECIAL

MASK ALOE HYDRO ACTIVE

Gentle moisturizing mask

REF: 420 (R) **PRESENTATION:** 75ml tube

420.1 (C) 200ml tube

The Dr. RIMPLER SPECIAL Mask Aloe Hydro Active is a soft cream pack for the care of dehydrated and dry skin. The combination of aloe vera and active agents such as wheat- and corn germ oil and different moisturizing ingredients like hyaluronic acid, has a pleasant effect.

RECOMMENDED FOR:

For dehydrated and dry skin. Especially recommended after sun bath.

CHARACTERISTIC:

The mask supports the barrier function of the stressed, dehydrated skin and rebalances the natural skin condition. The skin gets off the tense feeling and tension and becomes soft and smooth.

INGREDIENTS & BENEFITS:

Aloe Vera

It is well known as a "miracle plant" which naturally rich in enzymes, vitamins, proteins and minerals. Aloe Vera aids to heal and soothe burned, irritated or inflamed skin; help to maintain skin's moisture balance; increases the synthesis and strength of skin tissue and encourages new skin cell production.

Wheat Germ Oil

Alleviates roughness and uneven patchy skin; assists in boosting the production of collagen; rich in Vitamins E, A and D, lecithin and squalane which promotes antioxidant actions while also normalizing the lipid barrier.

Corn Germ Oil

Natural golden-colored oil expressed from corn kernels, zea mays. America's premier native emollient oil. Rich in linoleic acid, one of the three essential fatty acids. Beneficial in supporting skin barrier properties. Helps prevent skin dryness and roughness. Promotes even skin tone.

Vitamin E

Vitamin E helps prevent the appearance of age spots and maintains the skin's oil balance. It also helps strengthen skin barrier function by acting as a skin conditioning agent and preventing transdermal water loss.

SPECIAL

MASK ALOE HYDRO ACTIVE

Gentle moisturizing mask

Panthenol

This pharmaceutical quality pantothenic acid (vitamin B5), known for its antiinflammatory and soothing effects, helps to heal minor wounds or rashes. In combination with retinol, panthenol contributes to a fast skin renewal, while simultaneously preventing skin irritation during the initial retinol acclimatization period.

Hyaluronic Acid

A naturally occurring polysaccharide, acts as a "molecular sponge" trapping and holding water up to a thousand times its own weight and supports collagen fibers and structural proteins to keep skin plump and youthful.

APPLICATION:

Generously apply the Mask Aloe Hydro Active once or twice a week to the cleansed face and neck. After 10-15 minutes remove with water.
