### Squalane

A highly refined moisturizing oil derived from the olive; a major component of human skin surface lipids (or oils); helps to keep skin soft and healthy; antioxidant capabilities help to protect from the harsh effects of the environment.

### **APPLICATION:**

Ideal for use several times a week and for almost all skin types. Generously apply a 1 mm thick layer of the mask to face, neck and décolleté and leave on for about 15-20 minutes. Include the eye and lip areas. Remove with damp cloths or tissues or leave on overnight.

### **BEAUTY SPA:**

An intensively hydrating and balancing finishing mask (pack) that is suitable for almost all types of skin. Particularly recommended for dry, sensitive skin. The mask is almost completely absorbed by the skin within 15-20 minutes. Remove any remaining mask with damp cloths or tissues or gently massage in.
