

“Organic Actives Cosmetics”

In CUTANOVA FACE SPA the best of this – the high-purity, isolated molecules of the purest substance from the algae extracts – is used as a natural “power bank” for the skin cells. The Cutanova Face Spa skincare formula is further enhanced with Dr. RIMPLER patented Smart Crystals® Technology where molecules are enhanced by 8 times for skin efficacy.

“Spa” from Cutanova Face Spa stands for Sanus Per Aquam in Latin, meaning “Health through water”. Immerse your skin in the ocean’s special cell-stimulating treatment, prepping your skin to face the day’s new challenges refreshed and recharged with the 6 products lined up.

CLEANSING CREAM AQUA PURE

Foaming cleansing cream

REF: 458 (R) **PRESENTATION:** 100ml tube
458.1 (C) 200ml tube

The Dr. RIMPLER CUTANOVA FACE SPA Cleansing Cream is suitable for daily cleansing. Ideal product for any customers who want the feeling of a lightly foaming cleanser. Kind to the skin, the foam gives a gentle, yet intensive cleanse

RECOMMENDED FOR:

For combination skin, greasy skin, mature/demanding skin and normal skin.

CHARACTERISTIC:

Particularly mild, gently foaming cleansing cream for all skin types.

INGREDIENTS & BENEFITS:

Laminaria Digitata Extract

Also known as Oarweed and Tangleweed, is a golden-brown seaweed you find in the North Atlantic Ocean. It is composed of a polysaccharide (marine sugar), amino acids, minerals and trace elements, essential components of the NMF (Natural Moisturizing Factor). These extracts help restructure the hydrolipidic film and improve moisture retention in the skin. Cell booster, which stimulates ATP synthesis to combat tired and dull skin; increases cell activity, rejuvenating and slowing the cell's aging process. They stimulate collagen production and provide a lifting effect.

Amino Acid-Based Surfactant (Sodium Cocoyl Glycinate & Sodium Cocoyl Glutamate)

It is a anionic surfactant developed through the combination of coconut oil and the naturally occurring amino acid glycine, to bring us the ultimate in natural surfactants. This state of the art creation offers soft silky foam while delivering skin softness and protection of the skin's moisture system, thanks to the amino acid and lipids.

APPLICATION:

In the morning and evening, foam a hazelnut -sized amount in moist hands and spread over face and neck. Carefully remove with plenty of water.

BEAUTY SPA:

This cleansing cream is the perfect opening for the daily ritual of skin cleansing. The soft and fine-pored foam is gentle on the skin and removes thoroughly dirt particles and make-up. Suitable for whole family.

CLEANSING CREAM AQUA PURE

Foaming cleansing cream

SALES IDEAS:

This cleansing cream is the perfect opening for the daily ritual of skin cleansing. The soft and fine-pored foam is gentle on the skin and removes thoroughly dirt particles and make-up. Suitable for whole family.

TONIC AQUA FRESH

Vitalizing tonic

REF: 459 (R) **PRESENTATION:** 200ml bottle
 459.1 (C) 500ml bottle

The CUTANOVA FACE SPA is used to refresh and tone the skin after cleansing. Special active ingredients already have a moisturizing and soothing effect at this early stage of facial care. At the same time they stabilize the protective acid mantle and help prevent alkaline damage.

RECOMMENDED FOR:

For combination skin, dry skin, mature/demanding skin and normal skin.

CHARACTERISTIC:

Mineralizing, refreshing and stabilizing skin barrier.

INGREDIENTS & BENEFITS:

Antileukine 6

Isolated from the Laminaria ochroleuca, similar to brown algae, but from shallow water.

- a) Effect in epidermal structure:
 - Reduction of "sun burn cells"
 - Support of physiological hydro lipid balance
- b) Effect on dermal structures:
 - Collagen and GAG stimulation
 - Consolidation of the epidermis-dermis connection
- c) Anti-photo-aging

Silanol (Methylsilanol Mannuronate)

Silanols are organic derivatives of silicon, ours are extracted from laminaria, brown algae. Methylsilanol Mannuronate binds moisture in the epidermis and provides long-lasting moisturising properties that help to combat the deterioration of collagen and elastin fibers in skin therefore firming and strengthening the skin. It is also known to act as an antioxidant to actively fight free radicals and prevent premature skin aging.

Dead Sea Salt (Maris Sal)

Dead Sea Salt differs from regular sea salt in that it has a much lower sodium content, balanced by minerals that feed and nourish the skin and body. One of the main benefits of Dead Sea Salt is its ability to increase blood circulation at the skin's surface, which aids its cellular renewal and encourages the release of toxins. It reduces wrinkles,

TONIC AQUA FRESH

Vitalizing tonic

reduces inflammation in atopic dry skin, improves skin barrier function and enhances skin hydration.

APPLICATION:

Apply morning and evening with a cotton pad on the cleansed skin.

BEAUTY SPA:

Apply to the skin with a cotton pad after exfoliating or after every cleanse. Recommended after every cleansing process during a cosmetic treatment.

SALES IDEAS:

The tonic strengthens the skin barrier, completes the cleansing process and prepares the skin for an optimal penetration of further active ingredients.

CREAM EYE CONTOUR AQUA COMPLETE

Special eye care

REF: 461 (R)

PRESENTATION: 20ml tube

For bright eyes! Special regenerating care with hyaluronic acid and a vitalizing algae extract for the delicate and demanding eye area. This cream helps diminish under-eye bags while smoothing and reducing wrinkles caused by dryness.

RECOMMENDED FOR:

For all skin types.

CHARACTERISTIC:

No perfume, smoothing, moisturizing and repairing.

INGREDIENTS & BENEFITS:

Eyeseryl® (Acetyl Tetrapeptide-5)

Anti-edema properties with proven efficacy in reducing puffy eye bags. It has multiple mechanisms of action:

- Improving blood circulation and reducing blood pressure in vessels under the eye by inhibiting activity of the enzyme called Angiotensin Converting Enzyme (ACE) which is responsible for the increase in blood pressure.
- Avoiding water leakage from blood vessels and preventing fluid accumulation.
- Skin strengthening by protecting the collagen from cross-linking (glycation), which is one of the main causes of the formation of eye bags.

Silanol (Methylsilanol Mannuronate)

Silanols are organic derivatives of silicon, ours are extracted from laminaria, brown algae. Methylsilanol Mannuronate binds moisture in the epidermis and provides long-lasting moisturising properties that help to combat the deterioration of collagen and elastin fibers in skin therefore firming and strengthening the skin. It is also known to act as an antioxidant to actively fight free radicals and prevent premature skin aging.

Hyaluronic Acid

A naturally occurring polysaccharide, acts as a “molecular sponge” trapping and holding water up to a thousand times its own weight and supports collagen fibers and structural proteins to keep skin plump and youthful.

CREAM EYE CONTOUR AQUA COMPLETE

Special eye care

Dipeptide (Aspartyl-Arginine)

Natural dipeptide from blue-green algae acts like a natural retinoid that smoothes the skin and has been clinically proven to reduce fine lines and wrinkles with regular use. It stimulates the vitality and proliferation of skin cells and also has a strong anti-aging effect.

Cupuacu Butter

It binds moisture to the skin very effectively and protects it from drying out. Increases the skin's elasticity, strengthens the skin barrier and reduces redness.

Shea Butter

Contains essential vitamins A, E & F for healthy skin, evens skin tone, returns luster to the skin, moisturizes and maintains skin moisture, protects the skin barrier, restores firmness, keeping skin clear and smooth, and soothes skin irritation.

Macadamia Oil

It helps regulate the skin's moisture balance. It therefore has a smoothing and regenerating effect. Ideal for dry, sensitive and irritated skin, as well as for older skin.

Squalane

Derived from olives, is one of the most powerful moisturizer. It assists in new cell regeneration while reducing the appearance of wrinkles. Mimics the lipid content of skin and helps support the skin barrier and is skin's first line of defense against water loss.

APPLICATION:

Apply gently with your fingertips in the morning and in the evening.

BEAUTY SPA:

As part of a classic treatment, to be used as an eye pack and final care for the eye area.

SALES IDEAS:

Nourishes and evens fine lines of the especially very delicate eye area and plumps up wrinkles visibly and profound. The cream counteracts pre-ageing signs of facial expressions.

CREAM AQUA ENERGY

Vitalizing moisturizing care

REF: 476 (R) **PRESENTATION:** 50ml jar
476.1 (C) 200ml tube

Intensive moisturizing 24-hour cream with hyaluronic acid and a vitalizing algae extract to activate the metabolism of the skin.

RECOMMENDED FOR:

For dry skin, mature/demanding skin and normal skin.

CHARACTERISTIC:

Moisturizing, stimulating, vitalizing and energizing.

INGREDIENTS & BENEFITS:

Laminaria Digitata Extract

Also known as Oarweed and Tangleweed, is a golden-brown seaweed you find in the North Atlantic Ocean. It is composed of a polysaccharide (marine sugar), amino acids, minerals and trace elements, essential components of the NMF (Natural Moisturizing Factor). These extracts help restructure the hydrolipidic film and improve moisture retention in the skin. Natural dipeptide from blue-green algae acts like a natural retinoid that smoothes the skin and has been clinically proven to reduce fine lines and wrinkles with regular use. It stimulates the vitality and proliferation of skin cells and also has a strong anti-aging effect.

CREAM AQUA ENERGY

Vitalizing moisturizing care

Hyaluronic Acid

A naturally occurring polysaccharide, acts as a “molecular sponge” trapping and holding water up to a thousand times its own weight and supports collagen fibers and structural proteins to keep skin plump and youthful.

Shea Butter

Contains essential vitamins A, E & F for healthy skin, evens skin tone, returns luster to the skin, moisturizes and maintains skin moisture, protects the skin barrier, restores firmness, keeping skin clear and smooth, and soothes skin irritation.

Jojoba Oil

Jojoba oil recommended in all cases of premature skin aging and also for dry skins which have the tendency to wrinkles and stretchmarks due to the skin being thinner. Jojoba oil is an extraordinary beauty elixir because it is rich in lipids which have an affinity for the skin due to its linear structure.

APPLICATION:

Apply daily in the morning and/or in the evening to cleaned skin of face, neck and décolleté.

BEAUTY SPA:

Vitalizing final care. Limited suitability for massage. With very dry skin, possibly enrich the cream with a little PROFESSIONAL MED Universal Lipid Complex.

SALES IDEAS:

Feel the effect of this energy bomb! This soft cream is an activating and intensively moisturizing 24 hours care product for dry and demanding skin. It stimulates skin metabolism and reduces the deepness of wrinkles.

CREAM AQUA PROTECT

Repair care with sunscreen

REF: 481 (R) **PRESENTATION:** 50ml jar
481.1 (C) 200ml tube

Advanced anti-aging day care with a vitalizing algae extract and light sunscreen. This cream reduces the skin's stress potential and protect against demaging environmental factors.

RECOMMENDED FOR:

For combination skin, dry skin, mature/demanding skin and normal skin.

CHARACTERISTIC:

Protecting, vitalizing, anti-irritating and moisturizing.

INGREDIENTS & BENEFITS:

Antileukine 6

Isolated from the Laminaria ochroleuca, similar to brown algae, but from shallow water.

- a) Effect in epidermal structure:
 - Reduction of "sun burn cells"

Jojoba oil is an extraordinary beauty elixir because it is rich in lipids which have an affinity for the skin due to its linear structure.

CREAM AQUA PROTECT

Repair care with sunscreen

Sea Mayweed

Rich in amino acids, polysaccharides, minerals and vitamins. Have anti-oxidant, anti-inflammatory, soothing, smoothing and muscle relaxing effect.

UV Caps

Provide an important barrier against UV rays. A base-SPF of approx. 6-8 means protecting between 45-50% of UVB (UVA balance as well)

APPLICATION:

The cream acts like an invisible protection shield against UV radiation. Apply after cleansing to face, neck and decollete area in the morning. For HIM after shaving it is the perfect day care. Improve the quick healing from a little skin irritation and reddening.

BEAUTY SPA:

Soft final care with light sunscreen. Not suitable for massage.

SALES IDEAS:

Due to the light sun protection factor highly recommended as a day cream for HER and HIM.

CREAM AQUA REPAIR

Rich anti-aging care

REF: 486 (R) **PRESENTATION:** 50ml jar
486.1 (C) 200ml tube

An innovative, rich 24hour cream with a mix of ingredients from nourishing natural oils and vitalizing algae extract to protect and lastingly regenerate demanding skin. Thanks to SWOP-technology (switch over point) the cream is like a light emulsion when applying – and later rich, firming and protecting. This is state-of-the-art technology of anti-age-cosmetics!

RECOMMENDED FOR:

For mature/demanding skin and dry skin.

CHARACTERISTIC:

Nourishing, regenerating, smoothing, anti-aging and firming.

INGREDIENTS & BENEFITS:

Antileukine 6

Isolated from the Laminaria ochroleuca, similar to brown algae, but from shallow water.

- a) Effect in epidermal structure:
 - Reduction of "sun burn cells"
 - Support of physiological hydro lipid balance

Sea Mayweed

Rich in amino acids, polysaccharides, minerals and vitamins. Have anti-oxidant, anti-inflammatory, soothing, smoothing and muscle relaxing effect.

CREAM AQUA REPAIR

Rich anti-aging care

Squalane

A highly refined moisturizing oil derived from the olive; a major component of human skin surface lipids (or oils); helps to keep skin soft and healthy; antioxidant capabilities help to protect from the harsh effects of the environment.

APPLICATION:

Apply after cleansing to face, neck and decollee area for a deep moisturizing and repairing effect.

BEAUTY SPA:

Soft final care for dry skin in need of regeneration. Suitable for massage.

SALES IDEAS:

An ideal night care, for the highest nurturing requirements of the dry, sensitive and especially mature skin, which already shows sign of premature aging. The skin becomes noticeable and visible softer and smoother. Little facial lines as well as dryness will be reduced.
